

Unloaded and Uncovered Podcast with Magda Desir. A different path in life with Richard Blank.

Richard got to where he is in life by getting past parents guilt and not doing what others want you to do. The entire time I was editing these reels and short clips, I couldn't help but smile and say yaaaaassss Richard.

Unloaded and Uncovered Podcast is based on my struggles in life, viewpoints, opinions on popular topics and pop culture (every now & then), and an unconventional way for me to uncover and unload whatever it is that is on my chest.

I love the no-filter, no-holds-barred aspect of my podcast because when I've said all that I can say, I feel like a heavy weight has been lifted off of my shoulders

Unloaded and uncovered podcast

Richard got to where he is in life by getting past parents guilt and not doing what others want you to do.

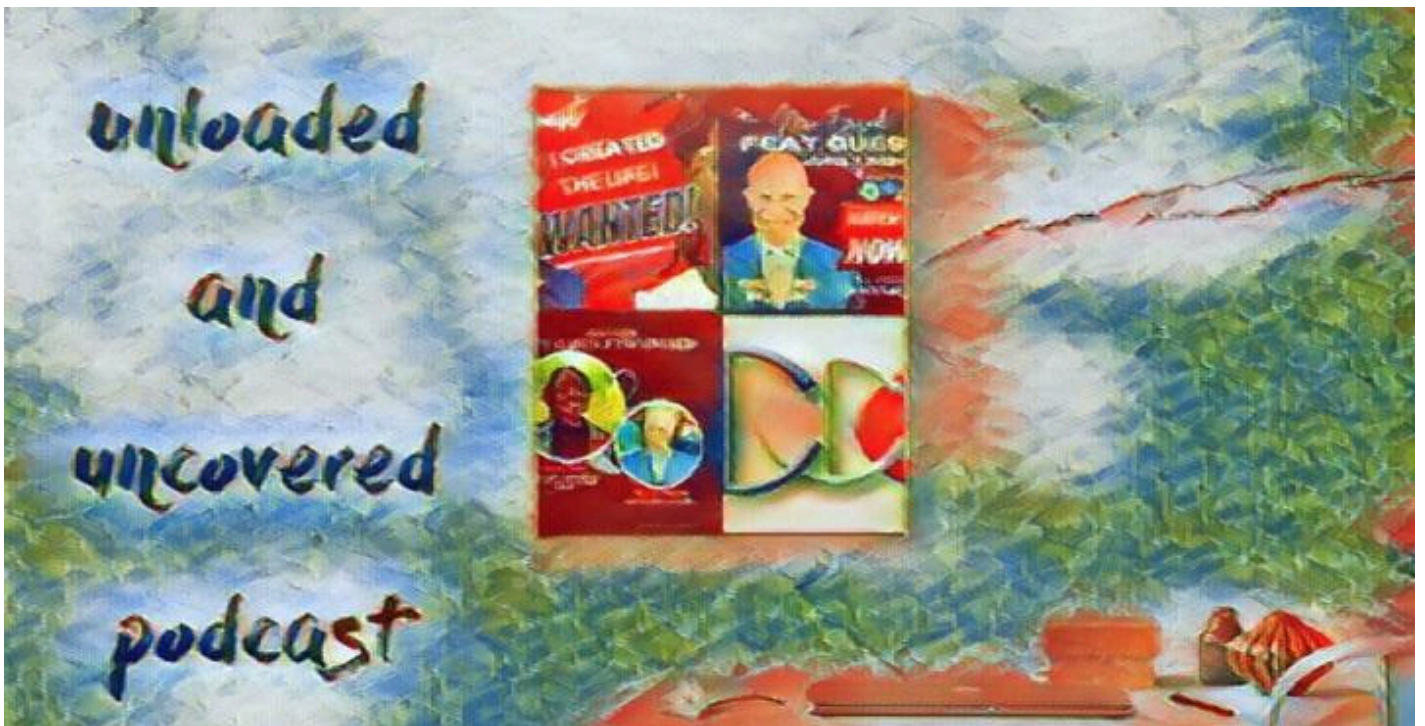

The entire time I was editing these reels and short clips, I couldn't help but smile and say yaaaaasssss Richard.

I asked Richard what advice he would give to someone who may be listening or watching who are having a difficult time with NOT wanting to do what their parents want them to do.

Richard talks about how he took a different path in life by being inspired by what his great grandfather accomplished as an immigrant from Romania/Russia.

My name is Magda Desir, Haitian American born & raised in Chicago, currently living in ATL (for now).
