There's this weird gap in life that's fuelled by cheap tacos and even cheaper tequila – also known as our twenties. The Space Between is a riotous, side-splittingly funny tribute to the insanity of our twenties and the lessons we learn in the most unexpected of places. Above all, it is a tribute to joy, friendship and the brilliance of women – those we know, those we admire and those we are capable of finding within ourselves. It's a specific limbo between being a teenager and a Proper Adult, and though it's wildly confusing, often lonely, sometimes embarrassing and frequently daunting, there's also a whole lot of Michelle Andrews's most popular book is *The Space Between*.
