SYNOPSIS :

In the tradition of Hello, Goodbye, and Everything in Between, this smart and emotional upper middle grade romance told through playlists and memories follows two teens struggling to hold onto each other as their friendship changes. Starting high school brings big changes for Immie and Jack, who've been everything to each other ever since Jack crashed his skateboard into Immie's yard when they were seven years old. All of a sudden, a game-winning goal catapults Jack into star status with the soccer team, and Immie is meeting new girl friends whose questions are making her wonder about the identity of her father for the first time in her life. And amidst all of this, they're both realizing their feelings for each other might run deeper than they

thought. Can their friendship?and the promise of something more?weather the storm that is growing up?
