

I'm not robot

**I am not robot!**

Kristeva writes that the foreigner is a symptom, a signifier of the difficulty we encounter while living as an 'other'. With its very poetic writing that somehow establishes a feeling of tranquility while expounding aggression, this book for most parts is a cultural and historical examination of the 'foreigner'. The acclaimed, award-winning New Yorker writer Rachel Aviv offers a groundbreaking exploration of mental illness and the mind, and illuminates the startling connections between diagnosis and identity. In *Strangers to Ourselves*, a powerful and New Yorker writer Rachel Aviv's *Stranger to Ourselves* captures the complexity of diagnosing, treating, and comprehending mental illness. Aviv's book consists of a series of engaging case studies, beginning with her own recollection of being hospitalized for anorexia. Drawing on deep, original reporting as well as unpublished journals and memoirs, Rachel Aviv writes about people who have come up against the limits of psychiatric explanations for who they are. We are foreigners to ourselves. Timothy D. Wilson. *Strangers to Ourselves* is a rare combination of lucid prose, penetrating insight, and cutting-edge research. eBook. DOWNLOAD OPTIONS An illustration of an open book. If, as James Baldwin writes, 'the purpose of art is to lay bare the questions hidden by the answers,' then Aviv's reportage becomes literature; not just because of the nimble pivots in her prose, the way her syntax unseats our expectations. A New York Times Book Review Ten Best Books of A Wall Street Journal Ten Best Books of The acclaimed, award-winning New Yorker writer Rachel Aviv offers a groundbreaking exploration of mental illness and the mind, and illuminates the startling connections between diagnosis and identity. *Strangers to Ourselves* poses fundamental questions about how we understand ourselves in periods of crisis and distress. *Strangers to Ourselves*.
