Antifragile is a blueprint for living in a Black Swan What Taleb has identified and calls "antifragile" is that category of things that not only gain from chaos but need it in order to survive and flourish. Tough times don't last. In Antifragile, Taleb stands uncertainty on its head, making it desirable, even necessary, and proposes that things be built in an antifragile manner. Tough people do. Here Taleb stands uncertainty on its head, making it desirable, even necessary. Erudite, witty, and iconoclastic, Taleb's message is revolutionary: The antifragile, and only the antifragile, will make it.
