**INSTRUCTIONS**

- To set up the game, simply place all your pucks in your compartment and sit opposite your opponent at each end of the board.

Step 1: Sling. For the sling, rubber bands work perfectly for the job. Using your 1/2 x 2 x 8" – cut two 1/2" pieces and two 1/2" pieces. Each player should have their own slingshot and pucks. The fast sling puck is 1/2" Sling Hockey board; slingshots; pucks (5 for each player)

Place the Sling Hockey board on a flat surface, such as a table or the floor. The idea is to clear all the pucks from your side of the board by pinging them through the gate in the middle, the only thing slowing you down is the bungee cord on your side of the board to aim. Enjoy endless hours of fun and challenging gameplay with the Hamleys Multi-Level Sling Puck. Cut your hardboard into a rectangle. Cut a 1/2" notch into one of your 1/2" boards. The goal is to pass, as soon as possible, all the chips from his camp in the opposing camp. From each end, cut one slit at a distance of 1/2" on each side, then, using a small skewer, tie the rubber band on each side.
