Read Spirituality Before Religions, "In the Light," in order that you come "Out of the Darkness" We must analyze the Kemetic (Egyptian) writings by using the method applied by Africans for Africans in Africa. There are Two (2) Laws of Cosmic Spirituality 1st Law – Love and Respect the Creator within you; know you are the Creator having a human experience 2nd Law– Love and Respect the Creator in Nature the same way you love the Creator Spirituality Before Religions: Spirituality is Unseen Science, Science is Seen Spirituality: Author: Kaba Hiawatha Kamene: Publisher: Kaba Hiawatha Kamene, Spirituality Before Religions, delves deeply into many ideas researched by many brilliant writers and scholars. Spirit lives in Light. As you read, I hope you travel with this guide, like spirit travels in light. The guide is divided into three parts and outlines a year curriculum. This book bases its findings on the sacred texts of ancient Kemet, and the work of great scholars like Dr. Cheikh Anta Diop and Dr. Asa Hilliard (Nana Baffour Amanankwatia). Spirituality is a living system. It includes an introduction, course "Kaba Hiawatha Kamene has written a ground-breaking book titled Spirituality Before Religion. African educator, Dr. John Henrik Clarke teaches us that to Kamene's teachings focus on the idea that spirituality is a universal human experience that existed long before the advent of organized religion.
