

I'm not robot

**I am not robot!**

Queste prose convergono verso il punto da cui per la Ortese tutti gli altri dipendono: "Restituire al reale, nostro paese compreso, il significato di appartenenza a un'altra realtà, più vasta e diversa da quella in cui siamo nati e cresciuti". Her latest book was *Corpo Celeste*, which collects non-fiction and interview writings. Request full-text PDF. To read the full-text of this research, you can request a copy directly from the author.

This essay analyzes her contribution to Italian Women's Literature within the context of her relationship with two major waves of the Italian Feminist Movement: the first, in the 1970s, and the second, in the 1990s. *Corpo Celeste* is a collection of non-fiction and interview writings. It is a journey without the planet earth, into a colorful celestial space, and as it rises higher, the dizzying view of galaxies, gigantic whirls of colossal motion, and finally, the extreme limit of the entire universe, dizzying in the vertigo of a fantastical journey. Proceeding at this superhuman speed, these prose converge towards the point from which for the Ortese all others depend: "Restituire al reale, nostro paese compreso, il significato di appartenenza a un'altra realtà, più vasta e diversa da quella in cui siamo nati e cresciuti". Her latest book was *Corpo Celeste*, which collects non-fiction and interview writings. Request full-text PDF. To read the full-text of this research, you can request a copy directly from the author.
