It is divided into two main parts, with chapters telling the story of God and the whole world, and chapters focusing Scripture is in Genesis. It has been truly said that “the roots of all subsequent revelation are planted deep in Genesis, and whoever would truly comprehend that revelation must begin here.” It is important to recognize the relationship between Genesis and the last book of Scripture. The “gap” theory, or the “ruin and reconstruction” theory, states that Genesis describes an original perfect creation, including life; Genesis represents a ruined creation, involving many years of time; and Genesis begins God’s re-creation or reconstruction week. Never! The book that opens the Old Testament (Genesis) and the book that opens the New Testament • Humanism (Genesis says that God, not man, is the ultimate reality) Evolutionism (Genesis says “God created”) Uniformism (Genesis says God intervenes in His creation) The book of Genesis is the first book of the Bible. discuss consider 1 Genesis A2 Classic Bible Study Guide In Genesis the wondrous future of Israel is made known.
