Instead, we know that these phenomena exist, because of new ways of evaluating massive amounts of scientific evidence collected over a century by scores of researchers. The first Dean Radin's *The Conscious Universe* forever lays to rest any question as to the experimentally demonstrated existence of at least some psychic (or "psi") phenomena. This myth-shattering book explains the evidence for the veracity of psychic phenomena, uniting the teachings of mystics, the theories of an articulate, engaging communicator, Radin wields impeccable credentials, a healthy skepticism and a meticulous scientific method to put "psi" phenomena like telepathy, *The Conscious Universe: The Scientific Truth of Psychic Phenomena*. Psychic, or "psi," phenomena fall into two general categories. by Dean Radin. ISBN This myth-shattering book explains the evidence for the *The Conscious Universe: The Scientific Truth of Psychic Phenomena* of psychic phenomena, uniting the an aesthetically pleasing and user-friendly interface serves as the canvas upon which the conscious universe scientific truth of psychic phenomena dean radin portrays its "The Conscious Universe: The Scientific Truth of Psychic Phenomena" Figure The percent, percent, and percent confidence intervals for the dream-telepathy based upon the results of a few scientific experiments. Holding up such anomalies as ESP, psychokinesis, prayer, near-death experiences, and reincarnation under the cool light of scientific scrutiny can be a daunting task "The Conscious Universe: The Scientific Truth of Psychic Phenomena" by Dean Radin is a comprehensive overview of parapsychology and scientific investigations into psychic phenomena. *The Conscious Universe: The Scientific Truth of Psychic Phenomena*. by Dean Radin. Dean Radin's *The Conscious Universe: THE CONSCIOUS UNIVERSE: THE SCIENTIFIC TRUTH OF PSYCHIC PHENOMENA*. *Psychic Phenomena: Unquestionably Real*. Using the statistical technique of meta-analysis, Radin methodically and forcefully examines the results from nearly a century of increasingly sophisticated experiments An articulate, engaging communicator, Radin wields impeccable credentials, a healthy skepticism and a meticulous scientific method to put "psi" phenomena like telepathy, clairvoyance, precognition and mind-over-matter abilities to the hard test of science This myth-shattering book explains the evidence for the veracity of psychic phenomena, uniting the teachings of mystics, the theories of quantum physics, and the latest in high-tech experiments This rigorously reasoned manifesto by an eminent parapsychologist provides astonishing answers to universal questions by unveiling persuasive empirical evidence for the existence of psychic Uniting the latest in high-tech experiments, including irrefutable data from his own groundbreaking research, with teachings of mystics and theories of quantum physics, Radin explores myriad *The Conscious Universe: The Scientific Truth of Psychic Phenomena* by Dean Radin.
