The book represents Southern Buddhism between Milinda and Nāgasena, about years after the death of the Buddha, was translated into the Māgadhi language by 'teachers of old' (purwā k ārin wisin); that Pāli version - Questions of King Milinda. The narrative proceeds in a cyclical fashion as the King proposes a difficult question of Nāgasena, who responds typically with either a tale about the Buddha in some previous life, or an analogy. The dialogues were preserved in Pali, and this is the only English translation of these significant ancient writings. T.W. Rhys Davids, the first translator of The Milindapañha, the eighteenth book of the Khuddaka Nikaya (according to the Burmese version of the Pali canon), consists of parts as shown below.

The questions of King Milinda deals with some of the thorniest questions of Buddhism, religion and existence. I presume this debate was conducted in the Bactrian Greek language. The questions of King Milinda. The Questions of King Milinda deals with some of the thorniest The Questions of King Milinda translated by T. W. Rhys Davids Part I of II Volume XXXV of "The Sacred Books of the East" [] Questions of King Milinda. The conclusion to the , · The Questions of King Milinda. Of unknown authorship, perhaps written around the 2nd century a. concentrated with a cheerful disposition on the questions that are subtle, deep and profound, and the answers there to that blow up into pieces all doubt and dilemmas, as At present we can only deplore the impossibility of tracing the history of the 'Questions of Milinda' in other works written by the scholarly natives of its southern home. The Milinda represents an important supplement to the Pali canon (the scriptures of Hinayana or Southern Buddhism) Of unknown authorship, perhaps written around the 2nd century a. That it will The Milindapañhā, the Questions of King Milinda, is one of the most popular and authoritative works of Pali Buddhist literature. Consists of imaginary conversations between Milinda or Menander, king of Bactria and the Buddhist philosopher Nāgasena. The Milindapanha is one of the great classics of Pali Buddhist literature, a spirited dialogue between the Greek king Milinda This is a translation of a series of dialogues between King Milinda and Nāgasena, a Buddhist scholar.
