OCR PDF Convert non-selectable PDF files into selectable and searchable PDF with high accuracy , · Hi, I have a fillable PDF where only one font has been selected. How can change the font on a Instead I get a small window that says "Properties:No Current selection". Simply upload your PDF and recognize text automatically. Make your PDF searchable and selectable, for free. OCR your PDF to get text from scanned documents. However, when I open the file in Adobe and highlight the text and press Command (Ctrl)+E, I can't change the font or the font size.
