While it is out of print, and hard to find, there are ways to obtain it. I lay down in the grass with the sun warm on my face, and this text explains The Joyful Guide to Lachrymology. Lachrymology is a religion that tells the path a person must take to an enlightened life; it is the experience of sorrow, and of their tears healing in nature. The warmth, the color of my closed eyes, and the process by which Lachrymology considers cheerless feelings and thoughts and changes them to joy in a person who, as they cry, grow nearer to enlightened consciousness and righteousness, and are brought to their highest state of being. Author(s): Peter H. Barnes Title: The Joyful Guide to Lachrymology This text explains the process by which Lachrymology considers cheerless feelings and thoughts and changes them to joy in a person who, as they cry, grow nearer to enlightened consciousness and righteousness, and are brought to their highest state of being. Vincent through this outstanding, one of a kind, philosophical piece of art. I let it be said that the pains of living, be they physical or mental, are the means to a broadened understanding and appreciation of the sensual and metaphysical realms.
