The Silk Road earned its name from Chinese silk, a highly valued commodity that merchants transported along these trade networks. Travellers on the Silk Road could choose to skirt north or south around the Taklamakan Desert, covering the long hazardous journey in a series of stages from oasis to oasis. The Silk Road, ancient trade route, linking China with the West, that carried goods and ideas between the two great civilizations of Rome and China. Traces the development of commerce between China and the Western world, tells the stories of We imagine strings of laden camels labouring over that road across grasslands, deserts, and mountain passes, stopping at oasis cities where bazaars overflow with silks and PDF Peter Frankopan, *The Silk Roads*. The Silk Roads is an ambitious project with an incomparable sense of depth, scope, and range that challenges the Eurocentrism of mainstream history and strives to introduce a more balanced view of the past. See Full PDF. Download PDF. Gaynor Macdonald *The Silk Road*. China also received Nestorian Christianity and Buddhism (from India) via the Silk Road. Download Free PDF. *The Silk Roads: A New History of the World* by Peter Frankopan. The trail hugged its bank, twisting with the The Silk Road was a vast trade network connecting Eurasia and North Africa via land and sea routes. Silk went westward, and wools, gold, and silver went east. And it was about a lot more than silk. By now we could see snow-capped mountains gathering on the horizon. Heavenly horses, see-through clothing, camel-shaped gravestones. A New History of the World, London, Bloomsbury, pp., ISBN| Find, read and cite all the Study of the Silk Roads offers opportunities to consider major themes in Asian history—the significance of trade, the spread of religions, the diffusion of technologies and artistic China’s imperial courts as hunting dogs, brought along the Silk Road in ancient times as tribute from Tibet. We entered a valley where the river was wide and mostly clogged with ice, brilliant white and glinting in the sunshine. The ancient, vast trade network we call the Silk Road connected Eurasia and North Africa. Revised by Eman M. Elshaikh. The Silk Road earned its name from Chinese silk, a highly valued The Silk Road was a network of trading routes that extended more than 4, miles—across immense deserts and high mountain passes—from eastern China west to The Silk Roads is an ambitious project with an incomparable sense of depth, scope, and range that challenges the Eurocentrism of mainstream history and strives to introduce a Travellers on the Silk Road could choose to skirt north or south around the Taklamakan Desert, covering the long hazardous journey in a series of stages from oasis to oasis The Silk Road: A History Irene M. Franck & David M. Brownstone. Mujib Abid. The Silk Road was a vast trade network connecting Eurasia and North Africa via land and sea routes. By Rosie Friedland and David Rheinstrom for Khan Academy.
