

I'm not robot

I am not robot!

With readings by some of the world's great thinkers, Reading the World is the only great ideas reader to offer a global perspective, allowing students to explore the development of ideas across cultures, an increasingly important approach in our diverse society. Selections strike a balance between Western and non-Western, classic and contemporary, verbal and visual. A wide selection of classic Western and non-Western texts allows students to explore the development of ideas at different times and in different cultures.
