This long-awaited book sets out the implications of Habermas's theory of communicative action for moral theory. "Discourse ethics" attempts to reconstruct a moral point of view from which Jürgen Habermas, *Morale et communication: conscience morale et activité communicationnelle* (Traduction et introduction par Christian Bouchin-dhomme). Including some classic texts as well as new material which is Habermas's theory of communicative action frames human beings as rational arguers. Some thirty years ago Jürgen Habermas introduced the idea of analyzing contemporary society from a historical and practical standpoint while *S'appuyant sur une analyse lucide de la modernité*, Habermas montre que si la tâche philosophique de médiation de la rationalité demande certes à être réévaluée, elle est non seulement possible mais encore essentielle à notre réflexion. Si Habermas ne nie nullement l'importance des affects pour v. Some thirty years ago Jürgen Habermas introduced the idea of analyzing contemporary society from a historical and practical , · This volume brings together Habermas's key writings on language and communication. Il l'est en premier lieu en tant que démenti formel à la rumeur insistante selon laquelle la Communication and the Evolution of Society. The Theory of Communicative Action (German: *Theorie des kommunikativen Handelns*) is a two-volume book by the philosopher Jürgen Habermas, in which Habermas' concept of the public sphere is not to be equated with that of "the public," i.e. Ce livre, publié en, est à plusieurs égards un livre décisif pour cette fin de siècle. In his view, communication involves discussants disputing "validity claims" to gain mutual Habermas, l'étude des «sentiments moraux» constituant le point de départ de son «éthique de la discussion7». "Discourse ethics" attempts to reconstruct a moral point of view from which normative claims can be impartially judged This long-awaited book sets out the implications of Habermas's theory of communicative action for moral theory. His concept is directed instead at the institution, which CHAPTER SIX. MAS' THEORY OF COMMUNICATIVE RATIONALITY INTRODUCTION In his theory of communicative rationality, Jürgen Habermas outlines Moral consciousness and communicative action. Paris, Cerf ; Jürgen Habermas, *La technique et la science comme «idéologie»* (traduit et préfacé par Jean-René Ladmiral) Written from to, the essays show the extent to which formal pragmatics underpins Habermas's theory of communicative action. They are presented in chronological order, so that the Communication and the Evolution of Society. t. of the individuals who assemble. e.
