Nominal voltage,6V,7V. Minimum capacity: mAh. Datasheet: Kb/20P. This product specification has been prepared to specify the rechargeable lithium-ion cell ('cell') to be supplied to the customer by Samsung SDI Co., Ltd. Description and ModelDescription Cell (lithium-ion rechargeable cell) Model INRE This product specification has been prepared to specify the rechargeable lithium-ion cell ('cell') to be supplied to the customer by Samsung SDI Co., Ltd. Description and ModelDescription Cell (lithium-ion rechargeable cell) Model. Datasheet: Kb/20P. Manufactured in KoreaNominal Specifications. Part: INRQ. Description: Lithium-ion rechargeable cell for power toolsResults Manufactured in KoreaNominal Specifications. Manufacturer: Samsung semiconductor. Note (1): If the cell is kept as ex-factory status (30% of charge), The capacity recovery rate is more than%Outline Dimensions See the FigMaxMaxUnit: mm View and download the latest Samsung INRE PDF Datasheet including technical specifications INRE Datasheet. Manufacturer: Samsung semiconductor. Discharge currentA This document provides specifications for the lithium-ion rechargeable cell model INRE manufactured by Samsung SDI Co., Ltd. It outlines the cell's nominal specifications including a minimum capacity of 3,mAh, charging and discharging parameters, maximum dimensions, and operating temperature ranges Description and ModelDescription Cell (lithium-ion rechargeable cell) ModelSite. INRE Samsung INRE mAh (Pink) Official specifications: Nominal capacity: mAh. INRE. Note (1): If the INRE Datasheet. Samsung INRE mAh (Pink) Official specifications: Nominal capacity: mAh Minimum capacity: mAh Nominal voltage,6V,7V Charging voltage This document provides specifications for the lithium-ion rechargeable cell model INRE manufactured by Samsung SDI Co., Ltd. It outlines the cell's nominal Technical Report ofINRE This material is proprietary to Samsung SDI Co., Ltd. It shall not be used, reproduced, copied, disclosed, transmitted, in whole or in part, without View and download the latest Samsung INRE PDF Datasheet including technical specifications Description and ModelDescription Cell (lithium-ion rechargeable cell) ModelSite. Description: Lithium-ion rechargeable cell for power tools INRE-1S2P. Charging voltage,2V. COMPLIANCE NOTICE: The thermal series products might be subject to export controls in various countries or regions, including without limitation, the This document provides the specifications for an INRE cylindrical lithium-ion battery cell. Part: INRQ. It lists the nominal capacity as mAh, nominal voltage as V, and Missing: samsungSAMSUNG SDI Confidential Proprietary INRE Version No. VerScope This product specification has been prepared to specify the rechargeable lithium-ion cell ('cell') to be supplied to the customer by Samsung SDI Co., LtdDescription and ModelFeatures Scope. INRE.
