When should you use posing cards? - If you are struggling with ideas on the spot. - If you are missing ideas. **FREE POSING CARDS.** You will never run out of photography poses or prompts. That's why I always use photography checklists with the most universal poses for women, men, children, couples, and families. Step 1: Print the prompt cards on your A4 mailing labels. Take them to your photo shoot and never run out of ideas! Also available in PDF. A variety of posing categories are available in Posing App: Children, Couples, Portraits, Women, Men, Groups and Weddings. Make sure you keep the front and the back of the card together so that you don't get your example photos mixed up (it's meant to have the prompt on the front and the example photo on the back). It can become a challenge if you don't have much time to pose your models right. Download my free portrait photography poses checklists and start taking creative portrait photography from the first shot. Professional Headshot Photographer Austin, TX, Kyle, TX, Buda.
