SYNOPSIS :

A Stage IV cancer survivor reflects on treatment and recovery in this inspiring memoir that reveals the biases of the healthcare system and the power of community. New Year's Eve 2020 was supposed to be a turning point to better days for twenty-nine-year-old Katie Coleman. Instead, she found herself in the ER processing the earth-shattering news of a stage IV cancer diagnosis, one that had come after years of being assured she was "too young for cancer" and a repeated misdiagnosis of anxiety. *Too Young for Cancer* tells the story of Katie's journey from diagnosis with an ultrarare cancer through treatment, recovery, and a life-altering shift in perspective.

Katie starts her journey shy, timid, and frightened of an intimidating medical world, but as she learns how to advocate for herself, she faces her own mortality with bravery and finds herself at top cancer institutions arguing her case for a radical and high-risk surgery that could change her life forever. With support from her
