**SYNOPSIS :**

Red, White & Royal Blue meets The Nightmare Before Christmas in a sexy, quirky romcom where the golden-hearted Prince of Christmas falls for the totally off-limits Prince of Halloween. Featuring beautiful ruby sprayed edges! Nicholas "Coal" Claus used to love Christmas. Until his father, the reigning Santa, turned the holiday into a PR facade. Coal will do anything to escape the spectacle, including getting tangled in a drunken, supremely hot make-out session with a beautiful man behind a seedy bar one night. But the heir to Christmas is soon commanded to do his duty: he will marry his best friend, Iris, the Easter Princess and his brother's not-so-secret crush. A situation that has disaster written all over it. Things go from bad to worse when a rival arrives to challenge Coal for the princess's hand and Coal comes face-to-face with his mysterious behind-the-bar hottie: Hex, the Prince of Halloween. It's a fake competition between two holiday princes who can't keep their hands off
