## **Description**

Rafael Ellie Sinclair is a hopeless romantic who writes love songs. I'm a struggling workaholic who could inspire a hundred breakup albums. On paper, we have nothing in common except for my son. For eight months, I avoid her until our summer trip. Fourteen days. Two islands. And one nanny I shouldn't be attracted to. Spending time with Ellie is expected, but enjoying her company? That isn't part of our travel plans. After my divorce, I swore to protect my heart at all costs. Even if it means breaking hers in the process. Ellie What's worse than working for a grumpy single dad? Admitting that I once had a secret crush on him in high school. Thankfully, Rafael Lopez and I have changed since we graduated from Wisteria High. He is a billionaire with a company to run and a child to take care of. I'm an unemployed songwriter he hired to watch his son and teach music. We coexist without any issues until a vacation changes everything. Lines blur and old feelings for Rafael return with vengeance as I face a new dilemma. Being his son's nanny is one thing, but wishing for more? Sounds like a heartbreak song waiting to be written.
