

I'm not robot

I am not robot!

Presenta más de modelos de luminarias para aplicaciones comerciales interiores y exteriores, industriales y de iluminación arquitectónica. Incluye información técnica detallada sobre cada modelo como especificaciones eléctricas, ópticas y mecánicas, así como recomendaciones de aplicación Providing a Superior Lighting Experience for Years. Explore lighting and technology solutions that can bring unique value to manufacturing facilities. Superior Performing LED High Bays. icalLuminaire Surge Protection Level: Designed to withstand up to 10kV/5kA per ANSI Petrolux® LED Round High Bay. By Holophane. Reliable light levels you didn't know were possible. Holophane provides industry-leading lighting products and solutions, giving our customers the greatest value through improved visibility, energy efficiency, reliability, quality and service Acuity Brands Mexico Holophane One Lithonia Way, Conyers, GA Phone: HOLOPHANE techsupportinf@ HVT HVT HMAO-LED de Holophane – El luminario cumple con los siguientes estándares: ANSI/IEEE: Protección contra sobretensiones extrema según la C •ANSI C Distorsión armónica •Vibración probada a nivel 3g según la ANSI C Índice de fuga eléctrica de(según la ASTM D) después Este documento es el catálogo de la cuarta edición de luminarias Holophane. The Value C10HP(EC) AGUILA A W VSVC15MH62VLB-SAM (EC) AGUILA P/SAM COLOR BRONCE CON VISERA LOW BRIGHT A W Tecnolite Lámparas, Focos LED, Iluminación inteligente y más Phuzion™ LED Large High Bay. Significant energy savings you can expect. Specifications. It's a perfect big sister to the Petrolux PXLW round low bay Providing a Superior Lighting Experience for Years. Explore Holophane's heavy duty industrial lighting products for commercial, industrial, emergency and outdoor applications Download all Holophane IES files and BIM models to quickly build your lighting fixture library Elevate Manufacturing Applications. engineered LED system ensures superior uniformity and max. When you need higher mounting heights, the rugged, hazardous Petrolux® PXHH LED round high bay is the feature-packed solution for demanding environments where dust, dirt and moisture are a concern. The Phuzion™ PHZL LED high bay is your single LED replacement for up to 100W HID delivering consistent light levels well beyond traditional lighting and at higher temperatures than other LED high bays lass distributions (Type low angle, Type high angle, and Type long and narrow) available to maximize. Holophane provides industry-leading lighting products and solutions, giving our customers the greatest value through improved visibility, energy efficiency, reliability, quality and service Acuity Brands Mexico Holophane One Lithonia Way, Conyers, GA Phone: HOLOPHANE techsupportinf@ HVT HVT Overview.
