Description

When a young woman is found dead on her college campus, her sister doesn't believe it was an accident—and her search for answers leads her closer to home than she ever would have imagined in this thrilling debut novel from an exciting new talent. Maya can't wait to return to Princeton for Reunions—it's been a decade since she graduated, but she is looking forward to seeing old faces and reminiscing about her college days. And this year is even more special because her little sister, Naomi, is graduating. But what should have been a dream weekend becomes Maya's worst nightmare when she gets a call no one ever wants—Naomi is dead. The police are saying it's an accident, but Maya suspects there is more to the story than they are letting on. As Maya pieces together the months leading up to her sister's death, she starts to realize how much Naomi hid from her. Naomi had joined Sterling Club, the most exclusive social club on campus—the same one Maya belonged to—despite Maya's warnings. And if she had to guess, she'd say Naomi was also tapped for the secret society within it. The more Maya uncovers, the more terrified she becomes that Naomi's decision to follow in her footsteps might have been what got her killed. Because Maya's time at Princeton wasn't as wonderful as she always pretended it was—after all, her sister wasn't the first young woman to turn up dead. Now every

clue is leading Maya back to the past...and to the secrets she's kept all these years.
