

I'm not robot

I am not robot!

Renowned for her work with Tool, System of a Down, Johnny Cash, and Prince just to name a few, Massy has received over a dozen gold and platinum records, including awards for her work with the Red Hot Chili Peppers, Sevendust, and Tom Petty. It's time to unlearn the safe, plain-vanilla recording techniques you've been using all these years! Massy and Johnson introduce you to music industry professionals who discarded fixed notions of how music should be recorded, and created sounds and effects that made people sit up and notice. *Recording Unhinged: Creative and Unconventional Music Recording Techniques* dares you to "unlearn" safe record-making, to get out from behind the windshield, stick your head out the sunroof, and put the pedal to the metal! The Digital and eTextbook *Recording Unhinged* is a book written by Sylvia Massy and Chris Johnson to help people recording music to break out of norms.
