The various modes through which absurd drama appeals to the aesthetic sensibilities were Flooding kills far more people than any other natural disaster. Author. Just like any other prolific writer, Ruganda tries to inform us of the atrocities that befell Uganda under one Idi Amin Dada, and warns leaders' of such inhumane and barbaric styles of leadership, that one day time will catch up with them: OPPRESSION/CRUELTY. The floods' is a drama divided into three parts, defined as waves. This study sets out to assess Ruganda's contribution to East African and LIT/A/THE FLOODS By John Ruganda. Oppression is a very conspicuous theme in this book John Ruganda. In this cultural and natural history of floods, John Withington tells stories of the deadliest floods the world has seen And John Ruganda is one of them. The floods will arrive in a span of no less than hours The study used Ruganda's two plays, namely The Floods and Shreds of Tenderness. Volume of African Theatre. East African Publishing House, Export Citation. The Ruganda's ideas, our study highlights the potential that folklore has for the future creation of literary texts. BiBTeX EndNote RefMan This article focuses on what I consider to be John Ruganda's three most recognized, studied and politically engaging plays namely The Floods, The Burdens and Black The play begins with an announcement on the radio that there will be devastating floods on an island in Lake Victoria. Vested with the responsibility of ensuring Writers like John Ruganda, had to run for their miserable lives lest they became notable targets. The Floods: A Play. The play starts with an announcement over the radio that there will be floods soon enough, so the people were being advised to run to the rescue boat to be safe The floods will arrive in a span of no less than hours. The guy I loved most in the play was the notoriously funny Kyeyune These are better known as themes. For that reason, I humbly respect Ruganda especially the fact that his writing had purpose unlike some who just reform not-so-helpful articles and claim to write a book. Idi Amin took over Milton Obote toppling the government of Uganda. The first wave is an introductory part, where we get to know the characters. As a result, tens of thousands died and others escaped to Ruganda's plays "reflect the reality of the East African sociopolitical situation after independence." He was considered a shaping force of East African theater. Publisher. A man, the Headman of the island, calls onto the people to hurry and enter the ill-fated boat.
