

I'm not robot

**I am not robot!**

Leads readers through complex issues of textual criticism. This sounds like the title to a dry, heady book written about a niche issue that was popularized in a bygone era and for which no one today needs answers. In *The King James Only Controversy*, James R. White delves into the debate over whether the King James Version of the Bible should be the only translation used by Christians. With thorough research and compelling arguments, White challenges the belief that the KJV is the only inspired and inerrant version of the Bible. Traces the development of Bible translations old and new. It was introduced to this audience by the King James Only movement (also known as King James Onlyism or KJV Onlyism) asserts the belief that the King James Version (KJV) of the Bible is superior to all other authoritative answers defending the modern translations from those who say the King James is the only true Bible; shows how Bible translation actually works. Author James White presents us with an extensive interaction with King James Onlyism, the movement that insists that you must use the King James Version of the Bible exclusively if you want to have God's complete word in English. *The King James Only Controversy* – James R. White. Written with the layperson in mind, *The King James Only Controversy* leads the reader through the basic issues of the debate and into the more complex issues of textual criticism. In *The King James Only Controversy*, James R. White delves into the debate over whether the King James Version of the Bible should be the only translation used by Christians. Answering those who claim that only the King James Version is the Word of God, *The King James Only Controversy* examines allegations that modern translators conspired to change the King James Version. *The King James Only Controversy* – James R. White. Today it's the center of a debate where critics charge that contemporary translations have changed the King James Version. James White's book *The King James Only Controversy*, Bethany House Publishers, ISBN 0-7642-1111-1 has been available for over a decade. Discusses the difference between versions like NIV, NASB, and NKJV and the Authorized Version of the Bible. Written with the layperson in mind, *The King James Only Controversy* leads the reader through the basic issues of the debate and into the more complex issues of textual criticism. This paper was written for the Baylor Anniversary on the 400th anniversary of the King James Version. The King James Version has been trusted by Christians for generations. *The King James Only Controversy: Can You Trust Modern Translations?* This sounds like the title to a dry, heady book. An examination of fundamentalism and the undue exaltation of the KJV as the divinely sanctioned English Bible translation. *The King James Only Controversy: Can You Trust Modern Translations?*
