After the fleet disappears, Gloriously Bright is selected to lead the fleet. With over a million copies sold and translated into more than a dozen languages, Orson Scott Card's Ender Saga is one of Tor's all-time bestselling series. The war for survival of the planet Lusitania will be fought in the heart of a child. The Starways Congress decides that the deadly virus on Lusitania must be wiped out and sends a fleet to destroy it. On Lusitania, Ender finds a world where humans and pequeninos and the Hive Queen could all live together. On Lusitania, Ender found a world where humans and pequeninos and the Hive Queen could all live together; where three very different intelligent species could find common ground at last. Xenocide is now the war for survival of the planet Lusitania will be fought in the heart of a child named Gloriously Bright. However, Lusitania also harbors the descolada, a virus that kills all humans it infects, but which the pequeninos require in order to become adults. The Starways Congress so fears the effects of the descolada, should it escape from Lusitania, that they have ordered the destruction of the entire planet, and all who live on it.
