For thousands of years the purpose of this volume, the first in a series of multi-authored works examining the institution of slavery throughout human history, is to survey the history of slavery in Africa from the earliest times to the end of the twentieth century, when slavery in most parts of the continent ceased to exist. History of Slavery responds to these trends by providing for the first time, in four volumes, a comprehensive global history of this widespread phenomenon from the ancient world to the present day. From Slavery to Freedom: Comparative Studies in the Rise and Fall of Atlantic Slavery, The Mighty Experiment: Free Labor vs. Slavery, and The Cambridge World History of Slavery. Revised for volume 2. The Cambridge World History of Slavery in societies worldwide between CE and CE. The essays analyze key concepts in the history of slavery, including gender, trade, empire, and the slave trade, ancient and modern. The history of slavery and the slave trade, ancient and modern. Blake, W. O. H. Miller, This book examines the intercontinental interaction of violence, economics, and civil society in accounting for the ebb and flow of slavery and antislavery. David Richardson is Professor of Economic History at the University of Hull, and This volume – the final volume in The Cambridge World History of Slavery – covers the period between the fall of Rome and the rise of the transatlantic plantation complexes by assembling twenty-three original essays, written by scholars acknowledged as leaders in their respective fields. The Cambridge World History of Slavery responds to these trends by providing for the first time, in four volumes, a comprehensive global history of this widespread phenomenon from the ancient world to the present day. This open access handbook takes a comparative and global approach to analyse the practice of slavery throughout history. Slavery in British Emancipation, and Abolition: A History of Slavery and Antislavery. It is written by an outstanding international team. The Cambridge World History of Slavery responds to these trends by providing for the first time, in four volumes, a comprehensive global history of this widespread phenomenon. A catalog record for this publication is available from the British Library. To understand slavery why it developed, and how it functioned in various societies – is to understand an important and widespread practice in world civilisations. This new four-volume History is the first to survey the entire history of slavery across the world, from antiquity to the present day.
