Please allow weeks for delivery. Titles *Ruin Everything: A Stream of Consciousness* is out now via Phaidon. A stream of consciousness by Aubrey Graham and Kenza Samir. x inch. NOTIFY ME WHEN g: pdf Drake's poetry book, 'Titles *Ruin Everything*,' is finally out via Phaidon. Drake lives a simple, uncomplicated life, hauling cargo around the world in his Hydrostar. (Getty Images) Is Drake really so pretentious that he seeks to destroy whatever is? His first book, *Ruin Everything: A Stream of Consciousness*, is a collection of never-before-published poems written together with his long-time friend Kenza Samir. In hip hop, Drake is a serial style biter and we've collectively forgiven him for that. We got an early copy to review & picked out all the worst one-liners. Over a year after first teasing it on his radio show, Drake has released his debut book of poetry. Now it looks like he's just crossed mediums and is now onto stealing poetry styles. We got our hands on a copy and asked award-winning poets what they think of it. Drake lives a simple, uncomplicated life, hauling cargo around the world in his Hydrostar. Published by Phaidon. Please allow weeks for delivery. Everything changes when a run of bad isions leaves him with nothing to haul. *Ruin Everything* is aptly titled, because a more specific, detailed title would betray the book's ambiguity. Everything changes when a run of bad isions leaves him with nothing to haul. A year after teasing it, Toronto rapper Drake has released his debut book of poetry, *Ruin Everything: A Stream of Consciousness*, published by Phaidon. Published by Phaidon.
