I am not robot!

Email communication is crucial in both personal and professional settings. Moreover, saving important Apple Mail conversations as PDF files offers significant benefits, such as record-keeping, sharing emails as attachments, and archiving for future reference. Connect your Apple device to your Windows device. You can connect your device using a USB or USB-C cable or a Wi-Fi connection. See Sync content between your Windows device and iPhone, iPad, or iPod touch over Wi-Fi. In the Apple Devices app on your Windows device, select the device in the sidebar. If you connect your device to your |.
