## **Bounce: Mozart, Federer, Picasso, Beckham, and the Science of Success**

Description :

"A cutting edge dissection—an ultimate destruction—of the myth of innate talent in the pursuit of excellence. Syed synthesizes his evidence with the precision of an academic, writes with the fluidity of a journalist, and persuades with the drive of a sportsman. Read this book now—before it's too late. There are no excuses!" —Mark Thomas, Professor of Evolutionary Genetics, University College London

In the vein of the international bestselling *Freakonomics*, award-winning journalist Matthew Syed reveals the hidden clues to success in sports, business, school, and just about anything else that you'd want to be great at. Fans of *Predictably Irrational* and Malcolm Gladwell's *The Tipping Point* will find many interesting and helpful insights in *Bounce*.
