I am not robot!

The writer's life, as they say, is a solitary one (not a lonely one) and David Lodge is brilliant company to have as one thinks about issues in writing, and about the art of fiction in general. Since I haven't read many of the texts Lodge references, I found the excerpts difficult to understand at first, but Lodge explains them well through sophisticated literary and rhetorical analysis. He articulates the referential relationships that link texts to each other.
