English] Simulacra and simulation I by Jean Baudrillard ; translated by Sheila Faria Glaser. a question of either maps or territories. ranslation by Sheila Faria Glaser p.2imperialism that present-day simulators attempt to make the real, all of the real, coincide with their models of simulation But it is no longer. This is how simulation appears in the phase that concerns us: a strategy of the real, neo-real and hyperreal, whose universal double is a strategy of deterrence. Simulation is no longer that of a territory, a referential being, or a substance of the real and the referential. It is nevertheless the map that precedes the territory-precession of simulacra Baudrillard, Jean Simulacra And Simulation Addeddate Identifier baudrillard-jean-simulacra-and-simulation_PDF download. p.
