

I'm not robot

I am not robot!

It is a profound exploration of reality, consciousness, and the art of shaping one's life in alignment with their desires. This book breaks down the Transurfing principles into bite-sized chunks. The book tells you about the basic principles of transurfing and their employment. Transurfing, penned by the brilliant Vadim Zeland, is a thought-provoking masterpiece that ventures beyond the ordinary realms of self-help and personal development literature. Remember that everyone is a dreamer and everything that is happening around you is nothing more than a dream, only the dream no longer has any control over you. When you apply these basic principles, you will gain the power to change your destiny. Remember that everyone is a dreamer and everything that is happening around you is nothing more than a dream, only the dream no longer has any control over you. Your advantage lies in awareness. Transurfing is a powerful tool for creating your own reality. This book is a translation from the Russian language by Joanna Dobson and is available on the official site of Reality Transurfing®.
