• He wrote a book of aphorisms in Spanish. Translated from the Spanish by Gonzalo Melchor. Selection. Spontaneous, succinct and wise, these aphorisms have the spiritual character of the world's great religions—especially Buddhist and Taoist epigrams—and the subtle attention to language of our best literature Antonio Porchia. Antonio Porchia () wrote one book, a slender collection of poetic aphorisms that became a classic in the Spanish-speaking world. My father, when he went, made my childhood a gift of half century. With affinities to Taoist and Buddhist epigrams, Voices bears witness to the awe of human existence. Some things become such a part of us that we forget them.
